OL. 5. NO. 85 MONESSEN, PA., WEDNESDAY, OCTOBER 3 1906. SIX CENTS THE WEEK

ENEWED ACTIVITY IN MONES- SEN REAL ESTATE CIRCLES

e Firm of Shuster & Reed has Done a Nice Business During the Week and Have Prospects for Other Deals

or the past few months the local real ate agents have been complaining on ount of the apparent slump in real es- e in Monessen. It is well known t there is plenty of property of every cription on the market but buyers m scarce at the prices asked. Every son who owns a piece of Monessen l estate seems to know its value and preciates the fact that money cannot invested in a better, more pros- ous or substantial town.

lowever the past couple of weeks gs have been livened up materially we have it from several agents that uiries for residence properties are be- ing quite numerous.

Within the past week Shuster & Reed e made several nice sales and have ral others under negotiation ong those which have been actually mmated is the August Karlowsky erty on Schoonmaker avenue to Janavitz and a house in McMahon ough. Today they closed the deal the Peden property at the corner of oonmaker avenue.

gust Karlowsky is the purchaser the price paid was $6,000. The pro- y comprises two lots fronting on oonmaker avenue and running back g Third street to an alley. The ksmith shop will be removed and Karlowsky will likely erect a busi block. The same firm also sold the ndore Weston property in the d ward to Nessel Dadco. In ad- on to these sales Messrs. Shuster & have placed several thousand dollars h of loans on Monessen real estate, have interested a number of outside talists to seek investment here.

OR SALE—At less than cost of im- ements, 8 rooms and bath, Donner ue, good location, must be sold a ; make me an offer. E. Jeffries 66-6

Case Postponed

The case of George Gurber which was to have been tried before Squire Watkins last night was postponed until tonight. Gurber is charged by Chief Woolsey with illegal liquor selling. John Sepich who is one of the main witnesses and who is held in the borough lockup to testify was seized by an epileptic fit this afternoon and a physician had to be called.

Played to Small Audience

The crowd which greeted the Major Sisters All Star company last evening was the smallest that has ever gathered at the local theatre since its opening. The attraction is a good one presenting high class vaudeville and should have played to a crowded house.

Both Were Fined.

Frank Zote and Nick Rabbick, the two Croatians who were mixed up in a drunken fight on Morgan avenue Saturday morning, were given a hearing before Squire A. N. Shuster last evening. Zote was fined $10 and costs and Rabbick was assessed $5 and costs.

Haines-Berry.

Miss Clara Haines and Mr. John Berry, were married, last Wednesday, in Washington, D. C. The couple is well known in Monessen, the bride having been, for the past several years employed at Nayhouse's clothing store as bookkeeper, while Mr. Berry has been employed at Roger Bros. grocery.

Following the ceremony the couple left Washington for Capon Bridge, W. Va., where they were tendered a reception at the home of the bride. They will go to housekeeping in Cumberland Md.

CAPITOLS WON FIRST CONTEST

Bowling Tournament Opened Last Evening and Capitols Captured Two out of Three

The opening contest of the local Bowling tournament was pulled off at the Capitol alleys last night between the Keystones and the Capitols, the latter team pulling out a victory after suffering defeat in the first game. The event drew quite a crowd of spectators and was interesting to the extreme.

The Keystones were somewhat crippled by the absence of several of their best bowlers, otherwise a different story might have been told. The Capitols lost the first game by 93 points, after which they took a brace and won the next two by good margins. Mat Slatterly, of the Keystones, made the high score of the evening, making 200 pins in the second game.

In the first and second games several of the bowlers on both teams seemed to be suffering from stage fright and made very low scores but in the last game all got down to business and a better showing was the result. This evening the McGinleys and the East Ends will play.

GOT LOADED, THEN PINCHED.

Arnold City Slav Tackled an Overdose of Monessen Booze This Morning, Cooler for Him.

John Wallaskiski, a flower of Poland, but recently transplanted to Uncle Sam's soil, and who now hails from Arnold City, blowed into town this morning. John proceeded to at once tank up and the thorough manner in which he did the job, clearly shows that he isn't any slouch. Whether Monessen booze is to strong for John's constitution or whether he was a little over anxious and over did the thing will probably forever remain a mystery but that John got gloriously drunk is a settled fact.

Even with the enormous load which he had taken on, the Arnold Cityite was still unsatisfied, but started to hunt for more trouble. He paid a local jewelry store a visit and started a real tough, rough house. That John don't do things by half was proven by the size of his jag and he took still more pains with his knock-down and drag out tactics.

A call to the police station and officers Kepple and Wheatley were quickly on the scene. After considerable difficulty John was finally landed in the cooler, where he will have until tomorrow morning to think it over.

LOCAL TRIBE, BEN HUR, PRESENTED WITH BANNER

Is Awaaded Every Six Months to Court Receiving Largest Number of Beneficiary Members—Fine Program Rendered.

The musical entertainment which was given in Kelly's hall last evening by the Local Tribe of Ben Hur, was pronounced a glowing success by the two hundred and fifty or more who were present. The colors of the lodge, tastefully arranged, formed the decorations. The occasion was the presentation of a banner which was won by the Local Court in a membership contest.

Every six months a banner is awarded the court in each state which receives the largest number of beneficiary members. Through the untiring efforts of the officers of the local court, the prize was brought to Monessen this time.

The exercises of the evening began with the singing of America by all present, a prayer by Rev. Madtes followed. The following program was then rendered:

Selection.....Herron Family
Recitation.....Pearl Brewer
Solo.....Margaret Travers
Duet...Mesdames Helmboldt and Butler
Recitation.....Anna Sprouse
Solo.....Margaret Travers
Selection.....Herron Family

Supreme Deputy Russell of Pittsburg then presented the banner which was received by Chief Mrs. C. W. Miller. Rev. M. M. Allbeck responded on behalf of Mrs. Miller and the members of the court. Revs. Allbeck, Mouer and Madtes followed and in a few well chosen words expressed their pleasure at being present, saying further that they hoped the Tribe of Ben Hur would continue to prosper in future as it had in the past. "God be with you 'till we meet again" was then sung by the audience.

Rev. H. Weisheit, of New Kensington, in an address which pleased his hearers immensely, brought the exercises of the evening to a close. Among those present were guests from Charleroi, Belle Vernon and Monongahela. Mrs. Barnes of New Castle, formerly of this city, who organized the local court, was also present. The members of the local court are now going to make a strong effort to again capture the banner, in which case it will become their property.

JURY COMMISSIONER

A little cold wave now and then is relished by most men.

THE man with the rope is keeping the governors of North and South Carolina pretty busy.

SOMEBODY must have lost a part of all those millions made on the New York stock exchange the past week.

A London geologist predicts that England will be swept away by the sea. So there is hope after all that "Ireland will be free."

DISTRICT Attorney Jerome has reached the "Barkis-is-willin" stage on the New York Democratic Gubernatorial campaign.

MASSACHUSETTS is about to be treated for frenzied politics. Tom Lawson is going to take the stump for one of the candidates for Governor.

THIS year the shortage of farm hands is bound to be especially great, because so many men think they are out for spellbinders.

FORTUNATELY Mr. Root was on the east coast 1,000 miles away and so it will be impossible to blame him for the South American earthquake.

IF the Hon. Roger Sullivan attends that Bryan reception, the country will be treated to a lifelike imitation of two men who are not provoked at each other.

THE Prohibitionist candidate for Governor of South Carolina angrily struck his one-legged rival. There is intemperance in other things, besides whiskey.

A theatrical man is advertising for somebody who looks like Bryan and another resembling Hearst. Probably his exhibit is to be "The Happy Family."

PROBABLY it will appear upon a fuller investigation, that Cuba's latest revolution might have been suppressed at the beginning if the police had arrested the newsboys that started it.

The Dozen.

In all the civilized countries of the world thirteen is referred to as being somebody's "dozen." In America, Australia, Great Britain (present day) and several other lands that number is said to a "baker's dozen." In Italy it is referred to as the "cobbler's dozen," there being a tradition that there was formerly a law which compelled cobblers to put twelve tacks or nails round the edge of a boot heel. Finally, when the nails became cheap a center nail was driven for luck.

Warned in Time.

A man visiting a lunatic asylum recently was conversing with some of the outdoor patients when a man rode up on horseback. The pace called for comment among the party, and one of the patients said he had seen a horse running much faster than that one. "Oh," exclaimed the visitor sotto voce, "I have seen a horse flying." "Dinna let the doctor hear ye sayin' that, my man," interjected an old Scotch lunatic. "There's touk in here for far less than fleein' horses."

Intrepidity.

Intrepidity is an extraordinary strength of soul, which raises it above the troubles, disorders and emotions which the sight of great perils can arouse in it. By this strength heroes maintain a calm aspect and preserve their reason and liberty in the most surprising and terrible accidents.—Rochefoucauld.

Her Suggestion.

Mistress—I don't want you to have so much company. You have more callers in a day than I have in a week. Domestic—Well mum, perhaps if you'd try to be a little more agreeable you'd have as many friends as I have.

Superfluous.

Mrs. Knicker—Does your husband ever complain if his buttons are missing? Mrs. Bocker—No, he has to fasten so many of mine that he wouldn't have time for his own, anyway.—New York Sun.

Be at war with your vices, at peace with your neighbors and let every year find you a better man.—Franklin.

Here's Just the Right Bowel Laxative

Gentle, Sure—Pleasant to Take—A Tried and True, Genuine, Nature's Remedy.

If you do not have free, easy and regular movements of the bowels you lack the prime and first essential of good health. There's more harm done than mere uncomfortableness, sluggishness and biliousness—retention of food wastes in the bowels pollutes, irritates and poisons. You make the circulatory system—the blood—a scavenger instead of a fountain of purest life and untainted vitality. The ills of constipation are not trifling but nearly always are fraught with vital significance. Seek your relief in Nature! Accept the gentle, natural aid of Lax-ets! Be sure not to force and crowd the delicate organs of the stomach! Avoid all the danger of powerful and unknown medicines! Your safety and your health are always secured—if you take Lax-ets. The formula is on every box—show it to your family physician. Lax-ets are put up in a flat metal case in handy tablet form—one tablet taken before meals or on retiring always brings relief. Pleasing to take—the most potent yet gentle of all remedies—a genuine help of Nature's—a bowel laxative which cures constipation. Recommended and for sale by

Galien, Mich.

Gentlemen: I bought three bottles of your medicine from my druggist. The medicine rendered me very good service, but I am sorry to say that the druggists here are all sold out of your medicine. I should have bought six bottles instead of three. I will gladly take six bottles of the Nervine and Blood Tonic, and request that you write me, if you are able to read this, for I am rather old to write. I have suffered six years from NERVOUS TROUBLE, caused by a fall, and my whole body remained in a tremble, but no pain. Every doctor I consulted failed to help me, and I was compelled to give up all housework. Then I read your advertisement and bought your medicine, and almost immediately after commencing its use I was a new woman. I hope you will write me at once, and tell me how much money I must send, as I am anxious to get to using your medicine again soon. With most hearty regards, I remain,

HAPPY WOMEN.

Wouldn't any woman be happy,
After years of backache suffering,
Days of misery, nights of unrest,
The distress of urinary troubles,
To find relief and cure?
No reason why any reader
Should suffer in the face of evidence like this:

Mrs. Almira A. Jackson, of East Front St., Traverse City, Mich., says: "For twenty years I was dortoring for kidney and liver trouble but without benefit. Just before I began using Doan's Kidney Pills I was almost paralyzed. I could hardly stand on my feet because of the numbness and lack of circulation. Had a knife been thrust into my kidneys the pain could not have been more intense. My sleep was disturbed by visions of distorted figures. The kidney secretions were annoyingly irregular, and I was tortured with thirst and always bloated. I used seven boxes of Doan's Kidney Pills. The bloating subsided until I weighed 100 pounds less, could sleep like a child and was relieved of the pain and the irregularity of the kidney action. My circulation is good and I feel better in every way."

A FREE TRIAL of this great kidney medicine which cured Mrs. Jackson will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. For sale by all druggists; price, 50 cents per box.

STUART WEARS WELL

Republican Nominee For Governor Squarely On Reform Platform.

POPULAR LEGISLATION URGED

Pledges Made to the Voters Will Be Kept When He Takes the Governor's Chair.

[Special Correspondence.]
Philadelphia, October 2.

The tour of Edwin S. Stuart, the Republican nominee for governor, and his colleagues on the state ticket continues to be made up of a series of ovations from the masses of the public. Mr. Stuart has developed into a wonderfully successful campaigner. He makes a splendid impression wherever he goes, and the voters are impressed with his honesty and sincerity of purpose. He is standing squarely upon the Republican platform and has convinced all who have heard him that he intends to carry out every pledge made by this party.

In a recent speech he, among other things, said:

"Illustrious as have been the achievements of the Republican party in the past, it can triumph in the present struggle only by justly and fully commanding the consideration and proper approval of the people and I firmly believe it is the honest and inexorable purpose of the Republican party at the next session of the legislature to enact laws which are recommended and to which it is pledged in its platform.

"The Republican party of Pennsylvania is pledged to confer upon trolley companies the right to carry freight in order that the product of the farm may reach the market at the least possible cost and convenience to the vast number of our people engaged in the production thereof. It is opposed to the ownership of coal mines and of the mining of coal by railways and transportation companies; and in its platform is a plank demanding the enactment of such legislation as may be necessary to make effective a constitutional provision upon that subject.

"It demands the passage by the next legislature of such laws as will secure a rate not exceeding two cents a mile upon all the railroads within the commonwealth, and such further legislation as will require the sale of mileage books at a rate not exceeding two cents a mile without the requirement of a $10 deposit or any other obnoxious requirement.

Protecting State's Water Power.

"It also declares a legislative limit shall be placed upon the duration of all franchises granted by the legislature, and the right of the people to take both the franchise and the works, under just terms, carefully reserved. It declares in favor of such legislation as will prevent the water and water power of the state from passing out of the control of the public authorities. It declares in favor of a state commission to exercise relations to transportation within the commonwealth similar to those of the interstate commerce commission for the regulation of interstate transportation. It demands the investigation of the facts as to the abandonment and construction of competitive railroads by existing corporations, and the enactment of such legislation as will enable the state to retake the franchises so abandoned.

State Chairman Andrews has arranged the following itinerary for the gubernatorial party for the next two weeks:

October 2 (Tuesday) — Greenville, Mercer county, evening.

October 3 (Wednesday) — Sharon, Mercer county, afternoon.

October 3 (Wednesday)—New Castle, Lawrence county, evening.
